My dear Mrs. Manley:

We have made the changes in sizes as requested in your letter of March 10.

Insofar as the jackets are concerned we believe you will be satisfied with the grey trim because this makes it exactly the same color scheme as the New York Yankees. Their coats are Navy with Oxford grey knit trim and tan horsehide sleeves. We are going to proceed with yours with the grey trim instead of tan which you thought you might want, in view of the fact you are having a grey eagle. You can be sure the Yankees would not decide on this color scheme if it were not effective. We hope this meets with your approval, if not please advise at once.

Very truly yours,
